

INTIMIDATOR®

"Good enough won't do - it must be right." - K.B. Danuser, Founder 1910

A TRUE LAND-CLEARING, OBSTACLE-REMOVING ATTACHMENT FOR YOUR SKID-STEER OR TRACTOR

The Danuser Intimidator is a versatile, high-performance tool for tough land-clearing jobs on farms or job sites. It's built to effortlessly remove trees, saplings, shrubs, stumps, posts, and rocks, delivering both power and precision. Whether you're clearing a single tree or a dense area, the Intimidator ensures efficient, effective results.

- ☛ Combines a tree/post puller, stump bucket, and rock picker
- ☛ Selective elimination with the ability to easily maneuver in tight spaces and near buildings or fences
- ☛ Replaceable excavator bucket teeth and vertical jaw saw teeth dig and cut through roots, enabling removal of larger trees or stumps
- ☛ Synchronized jaws powered by a rear-mounted, fully-protected 3" cylinder reduce wear on your vehicle
- ☛ Choose between smooth side jaws or side saw tooth jaws with bidirectional teeth for cutting trees and excavating roots
- ☛ Lower operating costs than a bulldozer and less effort than a chainsaw

MOUNTING OPTIONS

**Skid-Steer
Quick Attach**

**Euro/Global
Quick Attach**

Flat Back

(for custom fabrication
to fit other mount styles)

Maximum horsepower
rating = 125 HP

IMPROVED FRAME DESIGN

Openings allow for debris
to fall out during use,
and simplify maintenance

Brush guard and hoses removed for clarity

34"

with replaceable excavator
bucket teeth for digging

DOMINATE YOUR LAND

A HISTORY OF INNOVATION

Established in 1910, Danuser is a 4th generation, family owned and operated company. With decades of design and manufacturing experience, we build our products with reliability that they will last for generations. From our renowned auger system released in the mid-1940s to the more current designs, our commitment to our customers remains the same - to design and build products that are the benchmark of quality, reliability, and longevity.

In the words of our founder K.B. Danuser, "Good enough won't do - it must be right."

Danuser manufactures industrial and agricultural attachments for various applications, serving many industries worldwide. Please visit www.danuser.com to see our full line of attachments.
